ECONOMY STEEL SECURITY DOORS

This section includes photographs and specifications of Precision’s line of Economy Steel Security Doors. Although these products are not manufactured at our Redlands, CA facility, all items are welded, assembled and finished using high quality raw materials and are designed and priced to allow your customers the option of purchasing a reasonable quality, reasonably priced door.

For applications where finish, special options and custom features are critical, please go to section 2 of this catalog where our Precision made to order domestic steel security doors are shown.

Our economy line of steel security doors have a 90 day limited warranty against functional manufacturing defects only. Cosmetic defects do affect the applications and uses for which this door is designed. Due to these doors being a lower cost option to our domestic line of steel security doors, we cannot accept any returns or credits for cosmetic issues.

Only the standard sizes and colors shown are available on the Precision economy line of steel security doors (see pages 3-1 thru 3-7).

Standard “Net” Frame Sizes

Standard “net” sizes shown indicate the typical “call-out” size plus the outside mounting frame. Please keep these dimensions in mind when ordering. If a standard sized door will not fit the opening measurements, please go to section 2, where “custom” sized product may be ordered.

Precision Economy Steel Security Doors come as **Surface Mount**.

The **Standard Sizes** indicated in this section represent "Industry Standard" door openings.

Economy Steel Security Door dimensions for the Valdor, Regal & Regent:

A. The Net Overall Size, which includes the 3-piece mounting frame, is as follows:

Door Opening	Net Overall Size
2'6" x 6'8" (30" x 80")	2'8-1/2" x 6'9-1/2" (32-1/2" x 81-1/2")
2'8" x 6'8" (32" x 80")	2'10-1/2" x 6'9-1/2" (34-1/2" x 81-1/2")
3'0" x 6'8" (36" x 80")	3'2-1/2" x 6'9-1/2" (38-1/2" x 81-1/2")

Economy Steel Security Door dimensions for the Orleans, Flagstaff, Del Sol & Sedona:

A. The Net Overall Size, which includes the 3-piece mounting frame, is as follows:

Door Opening	Net Overall Size
2'6" x 6'8" (30" x 80")	2'9" x 6'9-3/4" (33" x 81-3/4")
2'8" x 6'8" (32" x 80")	2'11" x 6'9-3/4" (35" x 81-3/4")
3'0" x 6'8" (36" x 80")	3'3" x 6'9-3/4" (39" x 81-3/4")

On products with perforated metal that is welded in place, the perforated metal may experience deformation and the item may have areas of insufficient finish.

To prevent oxidation (rust), touch up any scratches, chips, etc. with a quality rust inhibiting paint as soon as possible. In order to maintain a rust free finish, regularly inspect and re-paint as needed. In exposed, damp or coastal areas annual painting is recommended.

VALDOR

Economy Steel Security Door
